The work of the producer is:

- To coordinate with the service workers to make sure everything is in order.
- To ensure proper and smooth running of all services, in-house and online.
- To adhere to the timings of programs.
- To ensure that photos are taken, edited, and posted.
- To liaise with Dennis and the Praise team to ensure the projection of songs and sermons runs smoothly.
- To make sure that the overflow hall is ready and everything is set.
- To ensure the service workers have everything they need.
- To make sure all equipment is set down and put back in their respective places.
